

Uniting Faith and Knowledge

Divine Savior
Catholic School

January 31, 2018

The mission of Divine Savior Catholic School is to provide a high-quality, personalized, Catholic-based education that inspires and empowers its learners to achieve academic excellence and develops life-long learning skills. Learners are challenged to walk as disciples in the footsteps of Christ valuing knowledge, prayer, and service to others.

A NOTE FROM THE PRINCIPAL

PRINCIPAL'S LETTER

Dear Parents,

Thank you for your participation in the Sunday liturgy and the Special Persons' Day. We had a tremendous response and the students did an outstanding job. This week Friday, the students will have their monthly special reading hour. The Christian Leadership Council is providing a treat. Students can bring blankets or other items to create a "fort" to read in. The forts are being judged for creativity. We'll try to get some pictures on the school Facebook page.

If your schedule allows, check out the Home/School dance this Friday. The information listed in last week's newsletter is repeated this week.

On Monday, your oldest child should have brought home the registration packet for next year. If you did not receive it and need one, please let us know.

The hot lunch program was in limbo as we searched for a cook to help Mrs. Bonde. I am happy to report that Laurie Killey will be the new hot lunch cook with Mrs. Bonde remaining to work 1 or 2 days per week.

Mrs. Killey has a culinary degree and has taught college level courses. She is a former restaurant owner with a great amount of cooking experience. We look forward to her services at Divine Savior School. The February lunch menu is included with this newsletter.

MAP testing took longer to complete than expected due to illnesses and scheduling conflicts. You can expect your child's report next week.

In case you are interested, Divine Savior School has a complete plan dealing with hazard communication, crisis situations, and indoor environmental quality (IEQ). The parish maintenance staff is the coordinator of the hazard communication and IEQ plans. You are most welcome to read them.

The February Board of Trustee meeting has been changed to Monday, February 5 at 6:00. If you ever wish to address the Board, please contact me to be placed on the agenda.

Catholic Schools: Learn. Serve. Lead. Succeed.

Together in Christ,

Kerry Sievert

Snacks

Hope to see you there!!

TEACHERS REQUEST

Please send with your student a change of clothes

to include

Pants

Underpants

Socks

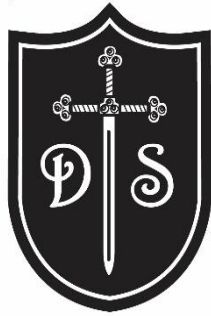

Shirt

With the wet weather to include Snow, Ice, Rain, we sometimes fall into a puddle and it is very uncomfortable to sit in school with wet clothes. We have a few items here that we do use, but it would be beneficial for each student to have their own. Use a plastic bag with the child's name on the bag. We will store these in their individual lockers.

Another reason we are asking you to do this, we have our Flu season upon us and with that comes the sickies. In case of an accident, we can help them with a change of clothes before going home.
