

Uniting Faith and Knowledge

Divine Savior
Catholic School

May 17, 2019

The mission of Divine Savior Catholic School is to provide a high-quality, personalized, Catholic-based education that inspires and empowers its learners to achieve academic excellence and develops life-long learning skills. Learners are challenged to walk as disciples in the footsteps of Christ valuing knowledge, prayer, and service to others.

A NOTE FROM THE PRINCIPAL

Dear Parents,

Our Spring Concert is next week Wednesday, May 22 at 6:00. The students are to wear clean, non-ripped, faded, or studded blue jeans or blue pants. We have T-shirts at school that they will wear. Students are asked to report to their classroom at 5:40. They will change into their shirts at that time. The shirt they are changing out of will be brought home on Thursday. The T-shirts are for your child to keep. If you arrive prior to 5:40, please have your child sit with you in Church until then. If your child has a jacket, please keep it with you in Church.

Looking ahead.....

..... Reminder for New Holstein district residents that New Holstein students will be dismissed at 2:45 on May 29 instead of the usual 1:45.

..... On Friday, May 31, Mrs. Novak will be having a student science display and presentation of projects they have worked on during the year. The work will be set up in the gym and be available for viewing after 7:30. At 8:00, the students will be with their work and explaining or demonstrating what they have done. If you are free that Friday morning, please consider viewing this student work. Mrs. Novak has a listing of the projects in this newsletter.

..... The last day of school is Wednesday June 5. The day will begin with Mass at 8:00. Mrs. Gozdziwski will conduct a field day in the morning for the younger students and another session for the older students in the afternoon. School will be dismissed at 3:00.

The auction raised funds to replace the flooring in one of the classrooms and the parish planned to replace another one. We have also received a generous donation that will allow us to do additional floor replacement and also add additional wiring and outlets to the classrooms. This will require some manpower in moving furniture and classroom items. If you have some time to spare this summer, please let us know when you might be available. If your availability coincides with the workers' and custodial schedules, we might call you for your assistance. Your help is greatly appreciated.

See you at the concert next week!

Together in Christ,
Kerry Sievert

REMINDERS

The end of the year is approaching fast, please pay attention to unpaid balances for tuition and lunch accounts.

DON'T FORGET TO CHECK OUR COMMUNITY LINKS PAGE!!!

The 2019-2020 school calendar is now available on the school website. A hard copy will also be in your orientation packets.
