Divine Savior

Catholic School

May 19, 2017

The mission of Divine Savior Catholic School is to provide a high-quality, personalized, Catholic-based education that inspires and empowers its learners to achieve academic excellence and develops life-long learning skills. Learners are challenged to walk as disciples in the footsteps of Christ valuing knowledge, prayer, and service to others.

A NOTE FROM THE PRINCIPAL

Dear Parents,

I hoped you enjoyed the program on Wednesday. The students did an awesome job! Special thanks to Mrs. Lafond, Mrs. Hartman, and Mr. Pierce for their leadership in preparing the students and organizing the program.

If you have not yet signed up for band lessons next year (gr. 4-8) and want your child to be in the band program, please contact Vanessa as soon as possible.

We are planning on doing some renovation work in the convent section which now houses our Title I reading program, speech, small group instruction, and the green screen studio. If you have any carpentry skills that you would like to share with us, please let us know. We appreciate any help we can get.

A new roof will be installed on the older section of the school this summer. Plumbing work will also be done this summer along with the installation of new fixtures in the rest rooms.

We will be getting some larger chrome books for the older students next year as a result of some funds generated in the auction and some donations. Some of the current chrome books will be used in grade 2 and the kindergarten students will have access to iPads.

Other thoughts, suggestions, or ideas for us to consider are always welcome.

Remember to check us out on Facebook. Mrs. Holst has included photos of the concert and our visit to the police station this week.

Together in Christ,

Kerry Sievert

HAPPY BIRTHDAY!

ASBESTOS MANAGEMENT PLAN

This notification is an annual requirement of the school's asbestos management plan. As required by law, the school has a management plan and the required inspection was conducted three years ago. A new inspection will be done shortly. Advanced Asbestos, an accredited asbestos repair company, was hired to conduct the inspection and make any necessary repairs. Under the management plan, periodic re-inspections and surveillance activities are conducted. Mr. Al Meiselwitz, SSPP Maintenance Supervisor, is responsible for the plan compliance.

SCHOOL REWARDS – THANK YOU

Thank you so much for donating Campbell soup labels to help the students of Divine Savior School.

We have been able to get physical education equipment: dodge balls, basketballs, soccer balls, and volleyballs for the younger students. We got playground equipment: sidewalk chalk and playground balls. The Campbell soup labels helped the math program with a few new calculators. The art program received glue and crayons.

Please turn all school rewards into school by **Monday, May 22, 2017**. The school rewards are as follows:

Kiel and NH Piggly Wiggly receipts
