

HuTerra Rewards:

**Introducing a new way to financially support Divine Savior Catholic School!**

Download the “My HuTerra” App on either Android or Apple and then scan your receipts when shopping at participating merchants. Many locally owned and operated businesses are willing to donate a portion of their sales to local causes to build customer loyalty. This requires no extra financial cost to you; it’s a byproduct of shopping you would be doing anyway (gas, grocery, restaurants, etc.). It's as simple as shop, scan, give! And remember to pick Divine Savior as your fundraiser!

**HuTerra Rewards!**

Don’t forget to select Divine Savior as your fundraiser when using the My HuTerra Mobile App! And don’t forget to patronize the local businesses giving back!

**Support Divine Savior by using HuTerra Rewards!**

The HuTerra Rewards Shop Local, Support Local platform is a way to support our mission without any additional financial burden on our Parishioners! Local businesses are giving back based on sales you would be making anyway! Download the My HuTerra App and start donating now! It’s available on Apple or Android!
