## A NOTE FROM THE PRINCIPAL

### PRINCIPAL'S LETTER

Dear Parents,

The school year is off to good start. Our new students are being welcomed and integrated into the school routines. Mrs. Halfmann has prepared delicious lunches and will be expanding the menu next month. Mrs. Sutilla has been a great resource addition in providing tutoring services. All our returning staff have been working diligently to create a positive classroom environment and provide great learning experiences for the students. Please contact any staff member with concerns or ideas. We welcome your input.

The school also has some contracted services with individuals and agencies that are providing tutoring, speech/language services, and occupational therapy through the new Special Needs Scholarship Program.

The school received a grant through the Department of Justice and will soon have new classroom doors installed as well as protective coverings on the four gym doors by Fremont Street. Yesterday, I was notified that we are receiving a second grant from the DOJ to include replacement of the two school entrance doors in the breezeway as well as expanding and upgrading the camera surveillance system. In addition, all staff members are completing special trauma awareness training.

Next Monday, we are beginning the Fall MAP testing. This Measure of Academic Progress (MAP), is utilized in grades 5K through grade 8. Upon testing completion, students in grades 3-8 will have the test results imported into the Study Island program for a personalized learning path. PLEASE encourage your child(ren) to take their time and put forth their best effort.

Picture retakes are scheduled for next Tuesday at 9:00 for those students who missed the Orientation Day in August. If you have questions, please call the school office.

The annual Apple Pie fundraiser is rapidly approaching. Thank you to all those involved on the planning committee. This is a major effort and we are very grateful to all those who have taken a leadership role in the project. For new families or anyone unclear about the service hour requirement, please contact the school office for a clarification.

Amy will not be in the office the next five school days due to a family event. If you have some time to help supervise the office, please call the school on Monday. Due to Amy's absence, the next school newsletter will be October 5.

The Fall season begins tomorrow. Enjoy the change!

Together in Christ,

Kerry Sievert

## **ASBESTOS MANAGEMENT PLAN**

This notification is an annual requirement of the school's asbestos management plan. As required by law, the school has a management plan and the required inspection was conducted during the summer of 2017. Advanced Asbestos, an accredited asbestos repair company, was hired to conduct the inspection and make any necessary repairs. Under the management plan, periodic re-inspections and surveillance activities are conducted. Mr. Fred Meyer, SSPP Maintenance Supervisor, is responsible for the plan compliance.

## **BOARD OF TRUSTEE MEETINGS**

The Divine Savior Board of Trustees hold monthly meetings (except December and July) on the fourth Tuesday at 6:15 in Room 26. Anyone wishing to address the Board should contact the school office at least one week prior to the meeting to be placed on the agenda.

Two times per year, an open floor period is scheduled for anyone to address the Board. This will occur on November 27 and January 22 at 6:15 in room 26.
